Good for Life

The 100% Solution is an excess medical policy that reimburses many of the costly exclusions and limitations found in primary health plans. It covers out-of-pocket expenses incurred for healthcare services such as medical, hospital, surgical, dental, psychiatric and pharmaceutical.

Good for Business

The 100% solution is a fully insured medical reimbursement plan. Premiums paid for this insurance policy are usually deductible by the corporation and the benefits received by insured individuals are generally exempt from taxable income. Insured groups may be a class of a company's employees such as officers or managers.

This is an excess medical reimbursement policy approved by your state's Insurance Department. In short, The 100% Solution provides excess healthcare benefits for key employees while saving dollars for their corporation.*

The 100% Solution covers most non-insured medical expenses including:

Co-Insurance Payments
 Well Baby Care
 Out-of-Network Expenses
Out-of-Pocket Expenses
 Sanitarium & Convalescent Care
 Deductibles
 Private Duty Nursing
 Prescription Drugs
 Custodial & At-Home Services
 Chiropractic Costs
 Drug & Alcohol Rehabilitation
 Cutbacks in Reasonable & Customary Benefits
 Physical Therapy & Rehabilitation
Medically Supervised Weight Loss Programs
 Dental Care & Orthodontia
